To Whom It May Concern

It is my pleasure to recommend Jason Guinasso, Esq. as a Workers Compensation Defense Attorney.

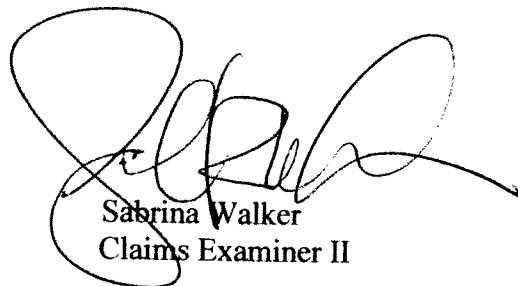

My examiner, Sabrina Walker, and I have worked with Jason for the past three years when he was chosen as the defense attorney for several of our clients. We found him to be ethical, professional and knowledgeable of Nevada Law. He is thorough and detailed and is always ready to conference and strategize on our cases.

We will be retaining his services for a number of our clients now that he is opening his own firm.

If further information is needed, please do not hesitate to contact myself or Sabrina Walker.

Sincerely,

  
Janet Machado
